

## MSU Horses for Sale or Adoption

**Spot is an 18 year old registered QH gelding** that would be perfect for a young child or beginner adult (\$3000 obo). He is absolutely amazing; whether you wanted to use him English (he loves to jump!) Western, or just out on the trail. As the riding instructor here at MSU I can tell you Spot is probably the hardest horse here for me to sell because I have so much faith in him. He has been used in the beginner English and Western Equitation classes here at MSU and I

can not tell you how many beginners he has actually packed around; hundreds! He is a packer, from his quiet ground manners to his beautiful slow jog, and easy pace over jumps. The only reason he is for sale is because I feel that he needs a change of pace as he was born and raised here at MSU. He is in exceptional condition and has been kept up on all of his vaccinations and de-worming. **Call Andi (406) 994-6878** please leave a message if I'm not available to answer.

**Joy is the extremely sweet mare** we have up for adoption (\$200 fee) she, like Spot has been ridden and handled by many a beginner and would make a great horse for a family that needs a companion for another horse. She has excellent ground manners and loves to be brushed and pampered. She would be a great horse for a small child to learn about grooming and handling a horse. She is up for adoption

because she is unsound. She is 16 years old and is a beautiful bay. **Call Andi (406) 994-6878** please leave a message if I'm not available to answer.
